- 5. Pick which option you would like for delivery of your tax bill.**

Once you fill in your Email address and all the above, press The SEND VERIFICATION CODE. This will be sent to your email and you will have 15 minutes to enter it and save the screen.

- 6. Only a few more steps and you are all set up for your property taxes. You will need to create a username and password. Your username is not your email address. Make it something you will remember. Ensure that your password is at least 8 characters long and contains an uppercase, and number and at least one special character (ex. ! @ # ^ % &). Once completed press the Save Button**

Just a couple more steps to setup your personal access account for the site.

Your password must contain 8 characters including at least 1 upper case and 1 special character.

User Name: **make up a username, not an email address

Email Address: add email and press -> check your email for verification code before going further

Verification Code:

Password:

Confirm Password:

7. Once you click save, you will be redirected to your accounts page that will display the roll that you just registered with, if you want to review information for that property click on the roll number.
8. If you have other properties, you are able to add them within this window by clicking on the 'Need to Add an Account' button, choosing property taxes option, and complete the above steps for those roll numbers separately.
